Essential Oil Blends:

In 2005 a devoted staff member, and aromatherapist received very specific formulas (for Maureen) in the dream-time from Mary Magdalene. They were to bring them into the world as companions to Maureen's work. Maureen accepted the invitation and took up the task of producing and promoting these powerful blends. They stand above other blends due to the powerful nature of their synergistic combinations. They are available through Vibranz at [www.GetVibranz.com/maureenst](http://www.GetVibranz.com/maureenst)

Initially christened AroMandalas®, these 24 highly acclaimed, healing essential oil blends, were designed to facilitate emotional healing, deeper clearing of emotional wounds that allow for transformation into their positive harmonic. Their newest "label" is "**The Orion Series**, available through Vibranz." Their effect works dramatically and synergistically with the energies found in the Vibranz vibrational tools, Intention Disc and Frequency Disc to amplify and magnify your healing. These tools were created because humans are choosing to use shortcuts to step into their 5D self!
